October 1, 2020 ~ Issue No. 28

People can tame all kinds of animals, birds, reptiles, and fish, but no one can tame the tongue. It is restless and evil, full of deadly poison. Sometimes it praises our Lord and Father, and sometimes it curses those who have been made in the image of God. ~James 3: 7-9, NLT

Did you watch the debate? I've got your juices flowing already. Regardless of what side you fall on—or both, or neither—it's easy to look back and offer our opinions about either candidate.

But what about you? You might know I would ask this question at some point. Read the three verses above. Sometimes I say it's not all about you. Well, in this case it IS all about you. Take the focus off of "the other" for a moment and look inward. Got your attention?

I do not need to ask if you ever said something you wish you hadn't and that you could take back. You have a mouth. It speaks from the heart. In the case of the Jesus-follower, sometimes our words honor God and other times dishonor His human creatures.

There's no "wobble room" on this. I'm not trying to get you upset or angry. There is enough in the world that does that all by itself. My concern is that we—as a faith community called Tabernacle—see ourselves as God's blessed creations who give glory to God and His blessed creations.

If you catch yourself speaking deadly poison, praising the Lord is the best antidote. Let's flip it. If you are always praising the Lord, then the "snakebite" won't even break the skin.

Daily Blessings,  
Pastor Glenn
